Dear Mr Garrison,

Please find,
enclosed as a small contri-
-bution to the funds being
collected to aid the destitute
colored refugees, my check on
the Rock Land Bank for thirty
dollars. I wish that I could
make it much larger, but
presume that there will be
ample opportunity to add
to it before this much enduring
race shall have redeemed by
their suffering the wrongs
inflicted on them by their
white brothers.

Yours truly
